My Lord and Saviour ?

I am, peace My child, do not fear, never
fear My Presence, fear Me only if you rebel
against Me ♡ he who is not with Me,
scatters, think of this, My Revelation to
you does not scatter, It gathers, My Revelation unites you into one Body, have My
Peace My child; remain nothing, remain in
Me, I the Lord, bless you ♡

now and then that I might be in error...)

I lean towards our Lady of Fatima's statue I have on my little table on which I write. I go close to Her right ear and whisper in Her ear:
"You know, Jesus gave me something very precious to guard. It has to do with the Glorification of His Body. It also is for the salvation of souls! So I come to You dear Mother and ask You if You could keep It, guard It and defend It for me... Yes, it is the Lord's Revelation, I transmit It into Your Hands, entirely. — In the meantime I must carry on the work of the Sacred Heart of Jesus, He Who has risen me for this mission and He Who formed me." — Soon the dead will leave their graves at the sound of His Voice, all for His Glory. Soon, a Nation will resurrect, a Nation consecrated in Your Holy Name, for this has been made known so long ago.

My child, nothing will interfere between God's Love to humanity, even if you are persecuted, worried, and attacked, be prudent and

Spirit asked me to repeat after Him this prayer:
" Père aide moi, car Ta Puissance est Amour",
it was given to me in French, and it means:
" Father help me, because Your Power is Love."

Lord, inspite that many nations have sunk into a pit of their own making, and caught by the feet in the snares they set themselves, have pity on them; Lord, grant them a hearing, make out of them a completely new batch of bread, glorifying You my King, I shall ask You again Lord of Love, Lord of Mercy that those who heard and heard again but never understood, to hear this time for the sake of Your Love and that those that saw and saw again but never perceived, to perceive this time, for the sake of Your Great Mercy, entering thus into Your Mystery soften their heart so that they may understand fully with their heart and not with their mind, and thus be converted and healed by Your Divinity, then they shall realize how wonderful Your decrees are, and their soul shall not resist but respect them. Amen.

Me, thirst for Me, look at your King! behold
the One who saved you! look flower at
My Beauty! free My dove, free at long last!
enter now into My Sacred Heart and let
It consume you entirely and make nothing
else out of you but a living flame of Love's
jealous Love, I am an Ardent Flame of Love
and My Love is indeed a consuming Fire ♡
desire Me, I am being glorified, stretch this
love for Me, My Hand is upon many nations, all
shall be accomplished soon on the right hour
and the right time; love Me, desire Me,

My Lord, do not abandon me to the will of my persecutors. False witnesses have risen against me. Since the day I am trying to make Your ways known to the youth of today, and teach them Your paths, the Evil one has doubled his fury upon me. Yes Lord, since the day I announced Your Message and showed Your sweetness of Your Holy Face, the Evil one is manipulating my accusers, deceived and blinded by him they are persecuting me and hounding me.

My Vassula, be strong, My Sacred Heart is your Fortress, come My child and hide in its depths; exempt by My Hand, Love loves you, you see My child these men do not talk My language; My language of Love has really
